They milk 100 Registered Holsteins with a BAA of 112.3. The farm sits on 1,000 acres - 450 corn, 150 beans, the remainder is hay ground. Cyrus also finds time to operate his own custom harvesting business, combining local beans, corn, and small grains as well as baling hay and chisel plowing. Cyrus is a 2015 graduate from the University of Wisconsin- Madison Farm and Industry Short Course where he earned degrees in Dairy Herd Management and Crop Management. After graduating, Cyrus in addition to custom harvesting and farming full-time, has continued professionally fitting as time allows, traveling throughout North America. Cyrus has had the opportunity to breed and work with many great cattle including the Reserve Grand Champion Female of the R&W Junior Show, Ridgedale T Raichu-Red. At 11 years old, Raichu (Talent), as well as her Advent sister at 8 years old, Ridgedale Runway-Red, made breed history the day they were simultaneously approved by Holstein USA at EX95. Raichu would go on to be 96.
